THE PRESIDENT'S MESSAGE

Our 24th annual reunion at Syracuse, N. Y. on August 11th and 12th, 1962 was a very delightful affair well engineered by the very capable committee Mr. and Mrs. Robert Friends and Miss Debra Friends and Mr. and Mrs. L. William Patchin to whom we extend our appreciation and thanks. The dinner and after dinner meeting at Drumlins, well named in the midst of drumlins, which according to Webster are elongated or oval hills of glacial drifts, which indeed made a very pretty and restful setting and helped make for an enjoyable time by all attending.

Inasmuch as this was our 24th annual gathering, the next one coming up in 1963 will be our 25th anniversary. Let's all make an extra big effort to make our silver anniversary the biggest in attendance we've ever had, so let's start now rounding up both the older and younger generation of Patchins for this event in 1963.

Our Necrology list carries the names of twenty-two members, who passed away recently, many of whom were faithful attendants at our reunions and worked hard to keep our association going. May their souls rest in peace.

Perrysburg, Ohio and Bar Harbor, Maine were two places mentioned to hold next year's reunion. However, I understand now that Perrysburg, Ohio has been eliminated because of lack of proper facilities and accommodations. The location committee, Helen Clark, Grace Schaufler, Robert Knox and Tom Avers, will continue working, and I am sure if you have any suggestions they will be glad to hear from you. As soon as they have arrived at something definite, you will be notified either by card, letter or bulletin.

Have you paid your dues? While \$3 to \$5 a family has been suggested, that amount is not mandatory, and we are grateful for whatever you can send to Treasurer Mrs. Erleen White, 320 Dartmouth Ave., Buffalo, N. Y. Do try and send something.

You are also reminded that the History and Genealogy Book of the Patchin(en) family is being sold for \$25.00 a real, real bargain, if printed today would cost three times that much. More people must buy these books if we are going to pay off the outstanding bonds covering the original printing of the books. How about placing your order today or if you know of anyone interested advise us and they will be contacted.

Don't forget interesting items for the bulletin—send them in when they happen—don't wait until it is time for the bulletin to be printed. You are also reminded to keep your family genealogy up to date: Always start by setting forth the page number in the genealogy book or if additions have already been made in the bulletins give the year of the bulletin.

Sincerely,

NELSON H. PATCHIN, President.

THE PATCHIN-EN FAMILY ASSOCIATION

August 11-12, 1962, Syracuse, N. Y.

The Patchin-en Family Association held its twenty-fourth annual reunion on August 11 and 12, 1962 in Syracuse, N. Y. at Hotel Syracuse and the Drumlin Restaurant. The reunion committee, Mr. and Mrs. L. William Patchin of Syracuse, and Mr. and Mrs. Robert Friends of Romulus, made the arrangements.

Although it was a small gathering, all those who came had a delightful time, and we were particularly glad to greet several newcomers.

Aaron Clark of Glen Campbell, Pennsylvania brought the exhibition items which we have been collecting for many years, and several clippings and pictures were added. Members are always intensely interested in this display.

The hotel assigned us a corner of the lobby and a large table for headquarters, where Patchins began to assemble on Saturday morning. The Avers family from Pearl Beach, Michigan, did not arrive until evening because they took a trip to the Thousand Island area, reporting a wonderful time. I should add that they stayed at the hotel the previous night. They reported a wonderful trip to the river. Too bad they did not look up Phil and Hazel Wilhelm at Alexandria Bay.

Lunch on Saturday was an informal affair, groups going down to the hotel restaurant as hunger dictated. The afternoon was spent chatting with old friends, greeting new ones, with an occasional sally outside for a breath of fresh air and to take a peak at store windows, checking up on the fall styles.

The annual Board Meeting of the Patchin-en Family Association was held Sunday morning, August 12, 1962 at the Hotel Syracuse, Syracuse, N. Y. A slate of officers was nominated for the coming year, 1962-63. The location of next year's twenty-fifth reunion was discussed, but no decision made. The President appointed a reunion committee, consisting of Helen Clark, Grace Schauffler, Robert Knox and Tom Avers.

The meeting was adjourned.

GRACE L. SCHAUFFLER, Secretary.

ITEMS FOR THE BULLETIN

Our face is red because we omitted one name from the list of those attending last year's reunion, that of Miss Grace Louise Leggett of Waterbury, Connecticut, daughter of our founder, and a valued member of our organization.

Among the exhibits were several snapshot views of Patching, Sussex, England, sent by the Philip Wolcotts of the British West Indies. This was our ancestral home.

The Patchin-en Family sent a telegram of greeting to Mrs. Charles Odell of Bainbridge, N. Y. who is very ill in Sidney Hospital, Sidney, N. Y. Her husband passed away in March.

Mrs. Nicholas VanReed Hunter of Wyncote, Pennsylvania, will serve as regent of the Valley Forge Chapter of the DAR for the next three years.

We have a very cordial invitation to hold next summer's reunion at Bar Harbor, Mount Desert Island, Maine, extended by Mrs. George M. Stanley. She paints the charms of the island in glowing colors, and says

the motels and hotels have "all the fixings". The location committee will note this!

One of our older members, John C. Mahaffey and his wife have lived in St. Petersburg, Fla., for the past 41 years. They helped found Westminster United Presbyterian Church there, and John has served in several capacities. They formerly lived in Ebensburg, Pa., and he was for three years with the U. S. Intelligence Service. We are proud that he is a Patchin!

One especially fascinating item on exhibition was a framed picture of the Patchen coat-of-arms, belonging to Mr. and Mrs. Wayne A. Patchen of Collins, Ohio. They had loaned it to Grace Schauffler to bring to the reunion. The Patchins were thrilled about it and it was copied and photographed. We are planning to check to see if it is authentic.

We all went over to Drumlin's restaurant for dinner Saturday evening. It was cafeteria style, but we had a room to ourselves which made it very pleasant. The Patchins enjoy their food!

Sunday morning brought Patchins to the hotel dining room for breakfast, after which some went to church, others gathering in the lobby to get acquainted with the newcomers and look over new items on the display table.

At noon all went to the Drumlin for the annual dinner and meeting, held in a private room, thirty-one being present. We were served a delicious meal by attentive hostesses. The annual meeting followed—you will find a report of that on another page. The Patchins, as usual, found that they were having such a pleasant time that they were reluctant to part, so they lingered and chatted. Each member introduced himself and gave his place of residence.

Isaac Dayton's father, Michael Dayton, granted him the funds to purchase a homestead in Wisconsin, having heard of the fertile lands of that state. Isaac's first intention was to settle near Fox Lake, Wis., in the Town of Trenton, but chose land near Doylestown, Columbia Co., Wis.

Isaac Dayton was a man of strong religious leanings and devoted his leisure time to the taking of long walks devoted to religious preaching and the settling of disputes among his close and distant neighbors.

Mary (Patchin) Dayton was reputed to have been a person of quiet refinement . . . a capable mother of eight children and a steadfast pioneer farmer's wife; living far away from an established community.

Shortly after their marriage they resided with his father at the Warden's residence; removing to Madison, Wis. a few years later where Henry Town took a position as State Food Inspector for the State Department of Agriculture and Markets. He held this position for sixteen years, after which he became Chief Inspector of State Institutions, Dept. of Public Welfare, for a period of three years.

Following this fine record of nineteen years in state positions, Henry Town entered into business as sole owner and manager of Henry Town Laboratories, Madison, where his business flourished in the manufacture of insecticide materials.
